Comments; It was the first time the Greenvale Dog Trial Club has run the Waikaka Tux Yarding Challenge. We had 177 entries over the two days. Our judge and clerk worked hard in order for us to complete the large amount of runs in time. The sheep were consistent over both days which was a credit to our club.

We would like to thank all our major sponsors, TUX Purina and Waikaka Hotel, Southland along with the numerous community sponsors which supported us in running such a successful event.
