Comments: Typical early autumn weather - a sprinkling of rain, fog, sunshine, wind. Plenty of locals and sponsors coming along. Great sheep, brilliant numbers and great company. Congratulations to all our place getters and fabulous to see so many young competitors coming

through. Hotly contended musterer's race and so many children in the bark up. A big thank you to our landowners at Fighting Hill and Snowdon.

Only change in Top Dog status is in the Headers with Neil Evan's Lad on 23 ahead of Neil's Smoke on 21 points. Well done to those that got their qualification points.
