Comments: Thank you to all Malvern committee members that made the trials run smoothly. Thank you to Ed and Jenna for access on the land in these dry conditions and supplying the sheep. The weather held itself together for a couple fresh days on the hill. There were steady entries both days and overall we went up total of 12 runs-that was in the hunts. The grounds were

presented nicely and the sheep worked well for the good dogs. We are lucky as a club to be getting a bigger committee every year with younger people to where it was 5 years ago. Although the property is on the market, I'm confident the club will make it work going forward.

*With three trial results left in the Canterbury Centre, the top three in each code are very close!
Headers – Bones Evans with Liz have 28 points, Stu Millar with Laddie – 25 and Neil Evans with Lad have 24.*

Huntaways – Dan Broughton with Louie have 26 points, Anthony Barton with Punch – 25 and Sam Jamieson with Gary have 21.

Second day of Levels today with Loburn Friday / Saturday followed by Tai Tapu Sunday/Monday.
