Comments: A slow start to day one with anticipated rainfall arriving in the afternoon. Saturday was clear & dry, which contributed to an increased turnout of competitors turning it into a great overall trial. Big thanks to our four awesome North Island Judges, liberators, timekeepers, clerks,

& the catering team. Special mention to our generous landowners Pete & Tracey Wright, Latham Family and Andrew & Anna Laing.

Top Dog Placings are close in both Hunts and Heads with plenty nipping behind these top three in both codes. Top Headers: Neil Evans with Lad on 23 and Smoke on 21, followed by Bones Evans with Liz on 20 points. Top Huntaways: Dan Broughton with Louie have regained the lead with 22 points followed by Sam Jamieson with Gary and Anthony Barton with Punch on 19 points each.
