Comments: Team Raetihi hosted the Wanganui Centre Championships along with their club trial, so very busy three days for all. The four courses were magnificently presented and the sheep were very consistent in the four runoffs on Sunday. Club stalwart Merv Williams had a stellar weekend with Flash winning the open shorthead, placing 4th in open longhead winning the centre shorthead by a 7 point margin and second in Centre longhead, an amazing effort considering Flash had a major ligament injury last year and wasn't expected to recover! The Raetihi club won all four events in the Wanganui centre champs, they are on fire Fiona and her team did a wonderful job with catering over the three days! Big THANK YOU to Judges, workers and everyone who pitched in and did their bit to make it all happen. Land & sheep owners there would be no trial without you THANK YOU, and Sponsors big ups!!
