Comments; Good entries and good weather until a storm started to roll in at run-off time on Saturday (typical). Thanks to Chris Curd for supplying us with very nice half-bred hoggets, they were very workable and went through the obstacles nicely. Still could be unforgiving if they were challenged. Thanks to Ben Streeter and his wife for the lunches and delicious home-baking throughout both days. Ben also supported Convenor David King. The judge Andrew Herriott and his two timekeepers, Levi McCall and Tom Dickison did a very good job over the two days. Our usual Purina /Tux rep Raro had Lisa and Mark (new Grant) in attendance over the weekend. Thanks for your ongoing support, Team Purina. With only two more Tux events to go down south, competition is getting tougher. Off to a new venue at Waikaka next. Congratulations to the qualifiers from here that now will travel to West Otago in three weeks to run in the South Island Semi-final. The season is rolling on nicely.
