Commentary: Total # of runs: 184

Our King Country Centre members pulled together as always to put on a smoothly run trial. A large number of maiden competitors entered and the standard of work was remarkably good. High scores were also posted by Intermediate competitors.

Spirits were not dampened by the rain, helped along by the superb catering of Rachel and Stuart Wind, and well prepared sheep that were consistent throughout the trial.

Thankyou TUX, Dion Mathieson and staff of the Taringamotu Otamakahi Trust Farm.
