Comments: The last Wanganui centre trial at Otairi & Otiwhiti Stations was well attended with many travellers attending. Fiona Shaw from the King Country won the Shorthead her first open win and Centre man Jock Stratton with Point qualified a dog for the Championships for the first time! The top heading dog in the centre is Merv Williams Flash with 28pts, Wayne Falkner with Roz and Wade Clare with Ace who won longhead at Otairi both tied for second with 17points.

The Top Huntaway competition has gone down to the wire with Hamish Mackay's Mayhem on 15 points and Fraser Taylor and Chompy also on 15points, Mackays Daff followed on 12points, there were several dogs hovering around 10 points so a close fought competition. The Huntaway title will go to Hamish Mackay because he was in centre runoff and Fraser with Chompy didn't feature there. Thank you to everyone who helped set up the courses at Otairi, the liberators who did a magnificent job, the kitchen ladies, land and sheep owners, all sponsors, Judges and hard working secretary Harriet Gibson.

The South Island Champs start 6th May at Meadowbank Station, Blenheim with the North Island & NZ Championships commencing on the 27th May at the Eltham-Takau club grounds inland from Eltham, Taranaki. Safe travels to everyone who has qualified may the sheep gods be with you all.
