Comments; Good entries at Richmond Brook. Sheep were very testing the first day but were better the second. Fine warm weather with ferocious winds and a quick shower of rain on Sunday didn't take away a very good run-off. Congratulations to Paul Copland and Bill Nichol for being our first open qualifiers and also the very impressive Isobella Posa with Cloud being the maiden rep. Thanks to Donny and his team along with the staff at Richmond Brook for their hard work over the weekend. Thanks to our main sponsor TUX and Purina and the local team from Drummond & Etheridge for spending two days at the farm.
