The Sheep Dog App stores and processes personal data that you have provided to us, to provide our Service. It is your responsibility to keep your phone and access to the App secure. You should be aware that there are certain things that The New Zealand Sheep Dog Trial Association will not take responsibility for. Certain functions of the App will require the App to have an active internet connection. The connection can be Wi-Fi or provided by your mobile network provider, but The New Zealand Sheep Dog Trial Association cannot take responsibility for the App not working at full functionality if you don't have access to Wi-Fi, and you don't have any of your data allowance left.

If you are using the App outside of an area with Wi-Fi, you should remember that the terms of the agreement with your mobile network provider will still apply. As a result, you may be charged by your mobile provider for the cost of data for the duration of the connection while accessing the App, or other third-party charges. In using the App, you are accepting responsibility for any such charges, including roaming data charges if you use the App outside of your home territory (i.e. region or country) without turning off data roaming. If you are not the bill payer for the device on which you are using the App, please be aware that we assume that you have received permission from the bill payer for using the App.

With respect to The New Zealand Sheep Dog Trial Association's responsibility for your use of the App, when you are using the App, it is important to bear in mind that although we endeavour to ensure that it is updated and correct at all times, we do rely on third parties to provide information to us so that we can make it available to you. The New Zealand Sheep Dog Trial Association accepts no liability for any loss, direct or indirect, you experience as a result of relying wholly on this functionality of the App.

At some point, we may wish to update the App. The App is currently available on Android & iOS but the requirements for both systems (and for any additional systems we decide to extend the availability of the App to) may change, and you will need to download the updates if you want to keep using the App. The New Zealand Sheep Dog Trial Association does not promise that it will always update the App so that it is relevant to you and/or works with the Android & iOS version that you have installed on your device. However, you promise to always accept updates to the application when offered to you, We may also wish to stop providing the App, and may terminate use of it at any time without giving notice of termination to you.
