Comments: Congratulations to the Marlborough Collie Dog Club on your 125th year and a special thanks to the Grigg family of Meadowbank Station along with their staff for the use of their property and the well presented stock. We had perfect weather and good entries. Thanks to the Island judges for travelling, a

superb job by all. Thanks to the course marshalls and their support teams for keeping the trial flowing. Well done to all placers. We look forward to seeing you all here next year.
