Comments: What a fantastic couple of days. We saw an incredible number of entries over the two days. Day one had a slightly delayed start due to the fog but it didn't affect things too much, with all first day runs finishing at a good time. The hunts were a little challenging at times and ran a little late on day one. Day two was fantastic weather for trialing, a bit toasty at times but the

ladies in the cookshop did a fantastic job of keeping all competitors, judges, clerks and club members well fed and watered. Overall, we consider the 2025 trial to be great success. None of it would be possible without our generous sponsors, club members, volunteer helpers, cookshop ladies and landowners. We wish all competitors all the best for the upcoming Championship. Until next year!

Top Header going into the Canterbury Champs this Friday/Saturday – Mark Copland's Don with 35 points and Top Huntaway – Richie William's Thug with 28 points. Well done to those that got qualified and Good luck to everyone competing at the Champs!
