Comments: A very successful trial was held despite Cyclone Gabrielle trying to force the club to abandon this year's trial. Huge thanks to Kahuranaki Station staff especially Richard who helped get the grounds ready. Big thanks must go also to all the volunteers, without you we couldn't run a trial, the same for our very generous sponsors.

Thank you also to the competitors who travelled from near and far and noticed a huge improvement in the sheep, something that we are all determined to enhance. It was also fantastic to see so many new maiden competitors and for them to be getting guidance and coaching. Good luck for the rest of the season and see you next year.
