Comments: Rain and Wind to start the trials but, as predicted by the weather man, all cleared by lunchtime with a warm sunny afternoon. The second day was dry with wind. The lambs from Oneriri Station were 'brilliant' according to competitors so some great runs were achieved. Thank you to those from south of "The Bridge" for attending, always a pleasure to see you. A huge THANK YOU to all the wonderful sponsors for your generosity which is very much appreciated. Also to all the brilliant workers from our own club as well as Otamatea, we could not hold a trial without you all. All the best to those attending the Island and New Zealand Championships.
